Sunday (10/8) Rounds 4-5: Game/90 plus 30-second increment per move.

Half-point bye (maximum of 1) available upon request in any round, must be requested before round two is paired.

It is possible to join the tournament starting in round two (arriving by 1:00 p.m.) and receive a retroactive first-round half-point bye.

Please bring sets and clocks if you have them.

* US Chess Membership is required to be current since the event is US Chess rated. It's easiest for the Tournament Director if you either join or renew those online yourselves (if they aren't current) at <https://new.uschess.org/join-uschess/>. This could save time and speed up the start of the tournament so things end on time. But we can also do these on site too.
