

# Chess – It's More Than Just a Game

A Presentation to the Seattle Chess Club on

**July 25, 2018**

By Jim Egerton, MBA

Speaker, Best-Selling Author, Teacher, & Chess Coach

*Chess has been played for centuries all over the world. It's a board game that fascinates everyone who has ever played it. This professional development presentation is for anyone interested in building career-enhancing skills that they practice on the chessboard while in school, in business, or in athletic competition.*

## **What You Will Learn in this Session:**

- *Teachers: The benefits of chess in the classroom*
- *Parents: Why you want your children to play chess*
- *Students: How chess gets you ahead in school*
- *Business: How playing chess is like running a business*
- *Athletes: How chess develops the mental side of your game*
- *Practice leadership, strategic thinking, decision-making, visualization & risk management*

## **Entry Fee:**

*\$45 – Presentation & Simul only.*

*\$60 – Presentation & Simul + autographed copy of Business on the Board.*

*A limited quantity of books will be available for purchase at site for full price of \$20.*

*Jim Egerton is the CEO and founder of Business on the Board®. He taught math for 4 years, was in corporate America for 24 years and has been an entrepreneur for 14 years. He's played tournament chess for 42 years, while training and coaching championship teams.*

*Business on the Board® is leading the way to better thinking, better decisions and better results. We are a talent development company that uses a game-based approach to teach business strategies and tactics to companies that want to be at the top of their game. By using keynote speaking, workshops and our #1 Best Selling business management self-development book, we teach leaders to play chess like they are running a business. An approach the competition isn't even thinking about.*
